## ACKNOWLEDGEMENT

As we embark on the 2024 Skate Australia Speed National Championships across the localities of Penrith, Liverpool and Narellan, Skate Australia respectfully acknowledges the Darug, Dharawal and Tharawal people, the Traditional Custodians of the land on which we compete this week.

We extend our respect to the Elders, Past, Present and Emerging, for they hold the memories, traditions and hopes of Australia's first people.

We would also like to thank the Office of Sport NSW for their continued support of our sport in New South Wales as well as the Camden Council for the direct support provided to host the Marathon events in their council area.

Championships in a manner that is fair and equitable to all competitors;  
showing complete impartiality, and respecting the abilities and rights of all

**PENRITH, LIVERPOOL & NARELLAN, NEW SOUTH WALES**

I want to take this opportunity to thank all skaters, officials, volunteers, team management and supporters for being here this week for the 2024 Skate Australia Speed National Championships. It is a testament to the love and dedication you all have for our sport.

Hard work and dedication are two of the most crucial factors that contribute to success in sports. It is not enough to just have the natural talent or athletic ability; you must also be willing to put in the time and effort, all that time, effort and hard work is going to be put to the test over the next week. Remember give 100%, have fun, no one can ask more of you.

This week we will see skating performances of the highest calibre. When skaters do their best, compete fairly, respect the rules, and respect their fellow competitors it will inspire admiration from officials and spectators alike and give you, the skater, a sense of achievement and satisfaction.

I would like to take this opportunity to thank all the officials for giving so freely of their time and for their support and contribution to the event.

I hope you all enjoy this week in Sydney, and I genuinely hope all skaters are happy with their results; if you know you have tried your best be happy with your results.

This week is an opportunity to create new friendships, rekindle old ones and take home wonderful memories that will last a lifetime.
